INTERNSHIP EXPERIENCE

Intern, Budget Forecasting, Conserve, San Diego, CA, March 2026- Present

- Contribute to a monthly budget forecast team supporting thousands of properties nationwide across hundreds of utility providers, researching utility rates and updating rate sheets for scheduled client deliverables.
- Support budget forecasts, rate audits, and utility provider research across monthly project batches totaling 1,000+ assignments by analyzing rate structures, organizing data, and communicating clearly with clients and providers.

Intern, Debt & Treasury, Port of Los Angeles, San Pedro, CA, June 2025- September 2025

- Built 3-statement models, cash flow forecasts, and CIP projections; benchmarked debt ratios vs. major U.S. ports and evaluated bond structures and repayment schedules to inform Treasury decisions.
- Delivered a capstone presentation on ACTA, translating project-level inputs into portfolio-level insights across a \$1.856B FY2025–FY2028 capex program and flagging a projected \$129M lower cash position by Sep 2026.

Intern, Financial Forecasting Reserve Studies; Long Beach, CA, January 2025- June 2025

- Assisted in preparing long-term financial forecasts for multiple HOA and commercial properties, analyzing reserve balances, contributions, and expenditures to support approximately \$2.64M in projected total reserves.
- Participated in on-site property inspections across 7 properties / 284 units for various HOAs and private developments, documenting existing conditions and asset lifespans.

Intern, Finance & Corp. Partnership, Volo Sports; San Diego, CA, June 2024- August 2024

- Managed and analyzed league margin data across 655 leagues/events in 12 sports, tracking approximately \$2.74M in revenue and \$1.61M in operating costs to evaluate profitability trends.
 - Developed and executed targeted marketing strategies for Volo Sports' Instagram, increasing engagement and enhancing brand visibility among local sports communities, including content that generated 1M+ views.
-

ADDITIONAL EXPERIENCE

Intern, San Diego Legion; San Diego, CA February 2025- June 2025

- Supported sponsor coordination and promotional campaigns, helping improve brand visibility, fan engagement, and partnership execution.

Member Relations, Virginia Country Club; Long Beach, CA May 2023- January 2024

- Assisted in organizing and executing golf tournaments with over 400 members. Ensuring event execution and client satisfaction.
-
